The Generosity Continues at the YW!

Recently the YWCA received a wonderful donation of 65 Oral B toothbrushes with new toothbrush heads, toothpaste and stickers from the Tufts School of Dental Medicine in Boston. The YWCA will now instruct the 65 children on good oral hygiene with this very generous donation. Thank you to Martha L. Forero, DDS for reaching out to the YW with this fantastic donation!

Fall with a Twist Raises Money to Renovate the Gym!

It has been a long time dream of the YW to renovate the current gym. This gym is used by not only all the children at the YW, but also the community. Fall Fest with a Twist "Ask" and the Annual Appeal specifically targeted the Gym and our dream is now coming true! With the help of the Highland Foundation's matching grant of \$30,000, the gym will receive the renovation.

The National Guard Donates Toys to Our Kids!

When the National Guard reached out in December to donate toys for our children, the staff gladly accepted toys and games for those who would go without. Thank you to the National Guard and thank you for your service!

At the YWCA There is Never a Dull Moment!

And for that we say Thank You!

Throughout the pandemic the YW continued to offer services to those in need. We provided food, offered counseling to our clients virtually, helped children through hybrid learning and even offered vaccines to our clients who are housed at the YW and the staff courtesy of the Greater Lawrence Family Health Center. Renovating the 38 Lawrence location has been ongoing, childcare rooms painted and provided with new furniture, infant toddler room received an upgraded bathroom, gym renovations are full speed ahead and more! The YW is a remarkable place offering remarkable services to over 15,000 women, children and families each year. We are grateful to all of you in the community who never cease to help when needed. Thank you to all of you! The YW wishes you the happiest and safest New Year!

"At times our own light goes out and is re-kindled by a spark from another person. Each of us has cause to think with deep gratitude of those who have lighted the flame within us." – Albert Schweitzer
