

Have you heard? The YWCA has a spot each 4th Wednesday of every month at 8:15 am on WHAV. Listen and hear what is going on at the YW. ALSO, each month the "Conversation with YWCA" is shown on Haverhill TV, Andover and Methuen Access TV. Join us each month to hear guests, staff, supporters, partners and board members discuss the YW and what we are doing to in the community!

STAY TUNED!

The YWCA is on a
Mission!

38th Annual Tribute to Women A HUGE Success!

With 22 women honored from the Merrimack Valley and the North Shore, the YWCA exuberantly celebrated the achievements of these outstanding and accomplished women. From CEO's to Administration Assistants, to MD's to Designers, these 22 women have helped their community and serve on boards of directors assisting with causes that make all of us at the YW proud! Congratulations to all 22 and for the numerous sponsors, supporters and donors who are part of the YW family. All money raised will help our young 3 to 5 year olds to access technology through IPads and Tablets and all the software necessary to be competitive and ready for school!

A check was donated to the YWCA Northeastern Massachusetts by Haverhill Mayor Fiorentini to YWCA Executive Director Susan Stapes and Site Director, Renee McGuire through the Cares Act to help with YW programs.

Andover High School Adopts the YW!

The Andover High School Girls for Girls Club reached out to offer volunteer tutoring opportunities for our after school program and held a donation drive to provide personal products to our SRO and young girl's program. Thank you so much for your generosity!

Our Kids have fun while at the YW!

Our children celebrating the week of the young child!

Enjoy the Summer!

YWCA Takes the

Pledge to End Racism!

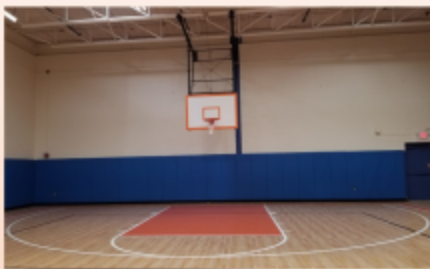

At the YWCA we are declaring Racism is a Public Health Crisis. Racism spreads when we fail to address it. Therefore, it requires the collective community to eradicate this virus. **Together** we must Stand Against Racism!

WON'T YOU?

Gym Renovations are Complete!

Beautiful new floors, our YWCA Logo looking great in the center of the renovated gym, new score board, new equipment, hoops, stage curtain makes for a very pleasant place to visit for the kids and all those who enjoy our gym!!

Have a Fun and Safe Summer
